Message from **BARRY BOWDITCH**

**MANAGING DIRECTOR,
MAGIC MILLIONS**

On behalf of the Magic Millions team, we are excited to announce that entries are now open for the 2026 Magic Millions Yearling Sale Series.

With proven performance at all levels of the market across our Gold Coast, Perth, Adelaide and Tasmanian locations, we extend to you a national Sale Series solution backed by our energy and drive to achieve commercial success with your entire yearling crop.

Your 2026 starts here with Magic Millions in January.

The Gold Coast Yearling Sale truly is a festival like no other celebrating equine excellence. We invite you to take centre stage in the theatre created by the buzz of the Magic Millions Carnival.

The results are undeniable.

We are proud to boast about the best auctioneers in Australia and achieving more individual buyers than any other yearling sale in the Southern Hemisphere, in turn providing greater year-on-year returns direct to you, our vendors.

The 2025 edition delivered at all levels, generating the highest priced yearling sold in Australasia (\$3.2m sold to Japan), the highest amount of new international investment as well as the highest number of unique buyers in the middle market.

Our team is focused on continually growing new and existing markets as evidenced by the most recent National Yearling Sale with a record 40% of the catalogue (112 horses) selling to international buyers from nine countries.

Offering your yearlings at the 2026 Magic Millions Yearling Sale Series provides you with exclusive access to the greatest marketing tool to support the sale of your stock – the Magic Millions Race Series.

More than \$20m and 28 races every year. There is simply no better Race Series in the world.

A national program of races that provides rich prizemoney opportunities across all ages, classes and distances supported by world-first innovation with initiatives such as The Syndicate and The Debut races

plus the ground-breaking Magic Millions Racing Women's initiative that has changed the narrative of ownership globally.

In 2026 we introduce an exciting new format for the Gold Coast March Yearling Sale with the sale now open to all Australian and New Zealand bred yearlings. The sale will continue to showcase outstanding QTIS stock plus provide a new opportunity for all breeders to participate on the Gold Coast this Autumn. This will create a compelling catalogue that attracts an even bigger buying bench.

We invite you to contact any of our skilled consultants based in Queensland, NSW, Victoria/Tasmania, South Australia, Western Australia and New Zealand to discuss how we can best assist you across the 2026 Magic Millions Yearling Sale Series.

Thank you for your time and consideration of selling your yearlings with Magic Millions.

Barry Bowditch, Managing Director.

Make Magic Your First Move in 2026

"We've had some incredible moments at the Magic Millions sales ring, of course selling the highest price filly here a few years ago (Clean Energy) and now to have a record with this colt is quite special. **That result is just stunning. We're absolutely blown away and incredibly humbled. I'm relieved, excited... it's above expectations for sure!**"

Antony Thompson, Widden Stud on selling Lot 489 Snitzel-Humma Humma colt for \$2,800,000.

It's wins all 'round...

“That’s the Magic Millions dream every year. Away Game was amazing... how special would it be to bring her first foal back here and compete for the Magic Millions (2YO Classic). We’ve had a good time up here, you know Coolangatta in 2022, Dubious just missed. **It’s been a happy hunting ground for us and a successful one as well.**”

Ciaran Maher who secured 35 lots including the referenced Lot 185 Written Tycoon-Away Game filly for \$1,800,000.

“I expected to pay a high price but it is a little bit more than the budget, but I hope the filly is worth it. She will go back to Japan.”

Mitsu Nakauchida on his purchase of Lot 1007 Home Affairs-Sunlight filly for \$3,200,000 - Japan-based buyer whose only Australian purchases in 2025 were at the Gold Coast.

"As a vendor, every year we're sending better and better horses here. It's been proven six or seven years ago that *if you bring a good horse here, you get paid properly* and ever since then it's been very, very good to us!"

Peter O'Brien, Segenhoe Thoroughbreds.

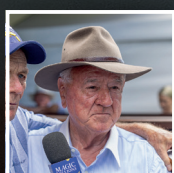

"The sale up here – *it's the horses, the people, it is just a magical time to be on the Gold Coast!*"

Chris Watson, Mill Park Stud.

"It's a great market, a great time of year, everyone's in the right mood to come and buy horses."

The sale that delivers Tomorrow's Headliners

"Every November, we set off on our Magical Mystery Tour, searching the countryside, and all roads lead to the Gold Coast in January. Why? Because this is where the champions are — **we buy during the day, then entertain our wonderful owners in the evening**, so we're fresh, focused, and ready to do it all again the next morning. Our owners love it — the theatre of the sale, the buzz, the excitement. They feel part of it, and they are. **It's the start of so many fabulous stories — too many to count.**"

Gai Waterhouse, Waterhouse & Bott Racing.

"The Gold Coast has proven to be **a very successful hunting ground for fillies**, having purchased 2 Group One winners from the sale, I look forward to getting back to the coast."

Sheamus Mills, Sheamus Mills Bloodstock, purchaser of Charm Stone and Vibrant Sun, both from the same edition of this sale

"With Lot 182 (Ex Advantage) and Lot 185 (Ex Away Game), my notes on my sheet is that 'we are 100 per cent buying' and **I guess we bought the other seven horses to entertain ourselves while we were waiting for the other two.**"

John Stewart, Resolute Racing who made the most of a large catalogue.

"We love coming to the Gold Coast with our owners, we've had **great success from the sale and look forward to kicking off our buying at Magic Millions.**"

Nathan Bennett, Bennett Racing

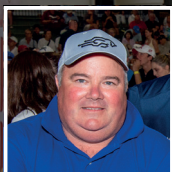

"This is my first time to Australia – I had only turned up 10 minutes before he went through the ring, but we came here with the intention of buying him. **He made a little bit more than we thought he was going to, but we came all this way and just didn't want him to get away."**

Phil Cunningham on securing Lot 489 Snitzel-Humma Humma colt for \$2,800,000 - UK-based buyer whose only Australian purchases in 2025 were at the Gold Coast.

Jim Clarke, Clarke Bloodstock.

"We hoped not to pay that much, but **at Magic Millions you either go hard, or miss out!"**

Brad Widdup on his clients (Mulberry Racing) securing Lot 537 Home Affairs-Jazz Song filly for \$700,000.
